LAKEVIEW CEMETERY

These records have been compiled by Marion Cioppa

- Transcribed by Bettie Lawrence, January 1999 -

The Lake View Cemetery is situated on the east side of Route 22 approximately 3 miles south of the village of Willsboro. It was the Hoffnagle family cemetery, but in 1878 Franklin Hoffnagle conveyed lands adjoining this plot to a group of citizens, who formed the Lake View Cemetery Association which was incorporated on September 14, 1878, as a rural cemetery.

The oldest grave in the cemetery is that of Melchior Hoffnagle who died March 30, 1791. He was the first supervisor of the town of Willsboro, having been elected on March 17, 1788.

This cemetery also contains the graves of William Gilliland who gave Willsboro its name and that of John Hoffnagle who fought in the Revolution as a Loyalist under General Clinton.
